Title of the Talk

Juan Diego Pulgarín Rivera jdpulgarinr@unal.edu.co

27th International Symposium of Prime Numbers

Contents

- 1. Introduction
- 2. Methodology
- 2.1 Mathematical Modelling
- 2.2 Numerical Experiments
- 3. Results
- 4. Discussion

Intro

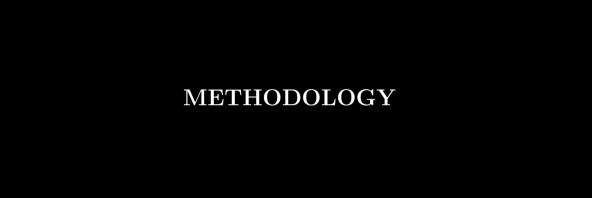

Some text... and then, this list:

- 1. First element.
- 2. Second element.
- 3. Third element.

And finally, this list of items:

- First item.
 - First subitem.
 - Second subitem.
- Second item.
- Third item.

Introduction Methodology Results Discussion 1/7

Contents

- 1. Introduction
- 2. Methodology
- 2.1 Mathematical Modelling
- 2.2 Numerical Experiments
- 3. Results
- 4. Discussion

Introduction Methodology Results Discussion 2/7

Model

$$\nabla \times \vec{H} = \vec{J} + \frac{\partial}{\partial t} \vec{D} \tag{1}$$

Just read...

This is a normal block.

Example 1

For example, ...

Watch out!

This is an alert block.

Introduction Methodology Results Discussion 3/7

Contents

- 1. Introduction
- 2. Methodology
- 2.1 Mathematical Modelling
- 2.2 Numerical Experiments
- 3. Results
- 4. Discussion

Introduction Methodology Results Discussion 4/7

Experiments
